

Perfecto Mundo® Evergreen Azaleas

(Rhododendron spp.)

Double Pink 'NCRX3' USPP32819

Double Purple 'NCRX4' USPP33205

Double White 'NCRX5' USPP33900

Double Dark Pink 'NCRX7' USPP33923

Orange 'NCRX6' USPP33945

Epic Coral 'NCRX10' USPP35049

Red 'NCRX8' USPP33922

Epic Pink 'NCRX9' USPP35072

Pink Carpet 'NCRX11' USPP35082

Fuschia Carpet 'NCRX12' PPAF

Reblooming azaleas with a variety of flower colors, forms and sizes. Cold-hardy with compact forms.

Brilliant Barberries (*Berberis* spp.)

Sunjoy Neo® 'NCBT2' USPP33272P2

Sunjoy® Orange Pillar 'NCBT3' USPP30330

Neon orange foliage in compact and upright forms. Maintains cheerful bright orange foliage all season. Rust resistant.

Non-Invasive Barberries (*Berberis* spp.)

Sunjoy Todo® 'NCBX1' USPP29504

Sunjoy Mini Maroon® 'NCBT1' USPP30330

Compact selections with dark purple or purple-red foliage. Field trials confirm nearly 99% reduction in female fertility over multiple years.

Pearl Glam® Beautyberry

Callicarpa 'NCCX2' USPP28312

A striking, compact beautyberry with dark foliage and hot pink/purple fruit.

'Aphrodite' Sweetshrub

Calycanthus 'Aphrodite' USPP24014

A sweet shrub with large magnolia-like flowers and light fruity fragrance.

Carolina Sweetheart™ Redbud

Cercis canadensis 'NCCC1' USPP27712

A carnival of color in early summer as new leaves emerge. Flowers emerge electric pink and fade white to green. Native.

Double Take™ Flowering Quince

Chaenomeles speciosa

'Scarlet Storm' USPP20951

'Orange Storm' USPP20950

'Pink Storm' USPP20920

Peach 'NCCS4' USPP30231

Unique thornless and fruitless quince with large, heavy double flowers and a range of colors.

El Niño™ Desert Orchid

×*Chitalpa* 'NCXC1'

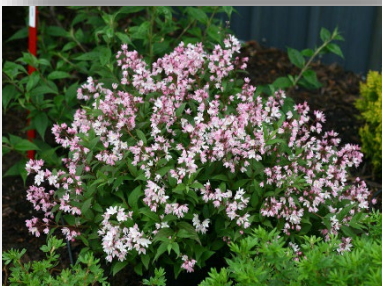

Unique intergeneric hybrid with large, orchid like, purple flowers on long racemes. Summer flowering shrub or small tree.

Cloudburst™ Flowering Dogwood

Cornus 'NCCH3' PPAF

A new disease-resistant flowering dogwood with exceptionally large flowers, clean foliage, and vigorous growth.

Deutzia hybrids (*Deutzia* spp.)

Yuki Cherry Blossom® 'NCDX1' USPP25916

Pink flowers with a low, ground-cover habit.

Yuki Snowflake® 'NCDX2' USPP28347

White flowers and a low, ground-cover habit.

Yuki Kabuki™ 'NCDX3' PPAF

Small shrub with large, panicles of showy pink flowers.

Non-invasive Burning Bush (*Euonymus alatus*)

Fire Ball Seedless™ 'NCEA1' PPAF

Durable, compact selection with bright red fall color.

One of the only seedless selections in the market.

Legend of the Small® Witch-Alder

Fothergilla × *intermedia* 'NCFI1' USPP34139

A very compact selection with a profusion of fragrant white flowers in spring and bright fall color in yellows, oranges and reds. Native.

Invincibelle™ Smooth Hydrangeas

Hydrangea arborescens

Invincibelle™ Spirit II 'NCHA2' USPP28316

Invincibelle™ Ruby 'NCHA3' USPP28317

Invincibelle™ Wee White 'NCHA5' USPP30296

Invincibelle™ Mini Mauvette 'NCHA7' USPP30358

Invincibelle™ Limetta 'NCHA8' USPP30431

Breakthrough native hydrangeas with compact habits and a range of flower colors.

Incrediball™ Blush Mountain Hydrangea

Hydrangea arborescens 'NCHA4' USPP28280

Bodacious big pink/lavender flowers on stiff stems.

Puffer Fish® Panicle Hydrangea

Hydrangea paniculata 'NCHP1' USPP35316

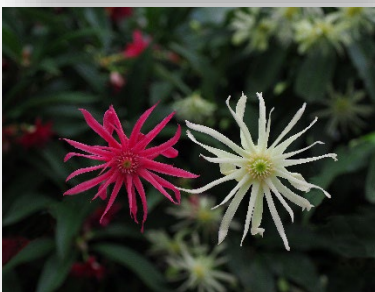

Compact habit and profuse in flower. Flowers fade lime green only to develop a second, smaller flush of cream-colored flowers late in the season.

Golden Japanese Hollies (*Ilex crenata*)

Glow Pop™ 'NCIC1' PPAF: A fast growing compact selection with bright yellow foliage that does not burn in the sun

Glow Stick™ 'NCIC2' PPAF: A fast growing fastigiate selection that can bring bright foliage to smaller spaces.

Star Flower Shrubs (*Illicium* spp.)

Scorpio 'NCIH1' USPP29939. Red flowers.

Orion 'NCIH2' USPP29938. White flowers.

Compact, evergreen, native shrubs with celestial flowers that bloom repeatedly throughout the year. And deer resistant too!

Non-invasive Privet (*Ligustrum* spp.)

Golden Ticket® 'NCLX1' USPP27301

Bold chartreuse foliage on a vicary privet with a compact growth, dense branching habit.

Kindly™ 'NCLJ1' PPAF.

Non-invasive *Ligustrum japonicum* with glossy foliage

'Mercury™ Magnolia

Magnolia 'NCMX1' USPP29218

Deep pink buds open to large, fragrant lavender flowers.

Blooms up to a month later than traditional *M. soulangeana*, greatly reducing flower loss to frost. Deciduous.

Mahonia (*Mahonia* spp.)

Good Vibes 'NCMH1' USPP34442. Yellow flowers.

Groovy Glow 'NCMH2' USPP34443. Multi-colored flowers.

Compact with dense branching; soft, refined dark evergreen foliage with long racemes of showy flowers in spring.

Non-invasive Maiden Grass (*Miscanthus sinensis*)

Bandwith™ 'NCMS2B' USPP29460

A dwarf, variegated, triploid miscanthus specifically bred for both garden appeal and non-invasiveness.

High Frequency™ 'NCMS3' PPAF

Tall, columnar variegated miscanthus with bright yellow banding.

Pink Cascade™ Flowering Cherry

***Prunus* 'NCPH1' USPP27579**

A dramatic weeper with bright pink flowers.

Pyracomeles

Juke Box® ×*Pyracomeles* 'NCXP1' USPP31409. Thornless.

Berry Box™ ×*Pyracomeles* 'NCXP2' PPAF. Red fruit.

An intergeneric hybrid between *Pyracantha* and *Osteomeles*. Compact habits with evergreen foliage and white flowers. A durable Boxwood alternative.

Flowering Pears (*Pyrus* spp.)

Javelin® Pear 'NCPX1' USPP26539

Fastigiate pear with purple new growth in the spring.
Fire blight resistant.

Chastity® Pear 'NCPX2' USPP30788

A non-invasive, triploid flowering pear with dark green flossy foliage, orange/red fall color and profuse white flowers in spring.
Fireblight resistant.

Dandyman Color Wheel™ Rhododendron

***Rhododendron* 'NCRX1' USPP31150**

Landscape ptough, disease resistant, evergreen rhododendron with frilly, color-changing red-to-white flowers. Thrives in the heat of the SE US.

**‘Schima Lina Ding Dong’ Mountain Schimlinia
*xSchimlinia***

A novel intergeneric hybrid between *Schima remotiserrata* and *Franklinia alatamaha*. Fragrant white flowers in late summer. Broadleaf evergreen.

Double Play® Spiraea (*Spiraea* spp.)

Candy Corn® 'NCSX1' USPP28313

Multi-tone foliage transitioning from bright orange red to chartreuse gold with magenta flowers. Seedless.

Doozie® 'NCSX2' USPP30953P3

A revolutionary *Spiraea*: dense, continuous bloomer with dark red flowers and new growth; seedless.

Steady Eddy® Doublefile Viburnum

Viburnum plicatum* var. *tomentosum

‘NCVP1’ USPP33899

Compact, floriferous, reblooming viburnum with showy white flowers.

Yardline™ Hybrid Viburnum

***Viburnum* ‘NCVX5’ PPAF**

A hybrid between *V. awabuki* and *V. sieboldii*, Yardline™ is a versatile, tropical-looking, evergreen selection with an upright columnar habit. Great for mid-sized hedges.
